

Coal fired boiler with ABB Turbine

Article No. 4617

Technical data:

Machine:	Coal fired boiler with ABB Turbine
Producer:	Babcock - ABB
Type:	Coal fired boiler with ABB steam turbine
Size:	None
Capacity:	None
Year:	None

Description:

Steep pipe Radiation coal boiler

with travelling grate firing for coal

max 70 t/h steam production

with

ABB Turbine

clamping performance 10820 kw/h

Still in production. Available 2021
